The McTell Brothers

Their story.

It all started in 2003 at the tender age of 7, when Jeff and Brian got their first guitars and started lessons. And by the ripe old age of 9 the fraternal twins were already playing open mics in their home state of Virginia.

They bought electric guitars and started mastering the blues — despite not even being double digits in age, and years away from hanging out in bars.

The McTell Brothers have gone on to play with some of country's top songwriters and guitarists from Nashville, Austin, New York and beyond. And they've played some of the top venues and festivals in the mid-Atlantic.

The twins play and sing acoustic and electric blues, rock, folk rock as well as their own compositions.

After 5-years touring as the J & B Blues Project, the 2-brothers felt it was time to embody the eclectic and wide variety of music they enjoy performing, along with their beloved blues. Their new name pays homage to legendary bluesman Blind Willie McTell.

2010 shows.

In 2010 they toured under their original name and who they are today — **The McTell Brothers**.

Photo Gallery Opening — Instant Gratification 4 - One Year Anniversary

McTell Brothers will perform

Event from 12:00 pm to 10:00 pm

Performances Begin at 2:00 pm

Event

Created by Phillip Edward Laubner and Lauren Barnhart

What the event creators have to say:

Instant Gratification. What is it? It's the anniversary of our multimedia show! It's non-stop art, ideas and sensation. It's the unexpected. It's Baltimore Hon. It's you and me, just like the old days when we painted each other up and sang until we were hoarse!

It's the electric soundscapes of DJ Introvert, or the haunting voice of Alison Chase Radcliffe and multi-instrumentalist Allen Holmes. It's the performance and dance of Heather Joi, or the return of the Baltimore's world famous Seeing Bunnies. It's the riveting hip hop of L.I.E. (Lyrics Incarnate Evolving) or Matt Muirhead let loose with a bunch of films and a lethal DVD player. It's your face and body being painted by the lovely and talented Jessica Gordon. It's a collaborative, live painting jam with Ryan Wineke Romero, you just have to see them do it! It's the breath taking harmonies and Americana music of Silent Why's or

the incredibly talented McTell Brothers. It's an interactive photo booth brought to you by Lauren Barnhart. It's the comedy of Ruben Brown or Showbiz as explained by Andy Abelow. It's spoken word with Robin Gunkel, Chandra Guglik, Alex Hewett, J. Gavin Heck, Beth Ann Dulin, Courtney Eckler and Dina Varsolone.

And that's just the beginning because all of this happens at the same event in a gallery displaying the photography and art work of amazing local artists.
